# up+tec ground

up+tec ground is a series of pedestals to be used with raised floors of low height. Two models of adjustable pedestals from 3/8" (10 mm) to 9/16" (15 mm), SUPT for 3/32" (2 mm) or SUPT4 for 5/32" joints (4 mm joints). The height can be extended thanks to the stackable SUPB accessory 3/16" (+ 5 mm). (Max 3 SUPB) Height can be adjusted from the top of the pedestal.
