

# appendo APP 15

**APPENDO** is a patented, innovative vertical profile shaped as a hook, a perfect decorative and functional solution for bathrooms and residential settings. The profile is installed with anchoring plates. Spacer washers are included to adapt the profile thickness from 5/16" to 15/32" (8 to 12mm).

Fixing brackets from the top  
 4" - 32-7/8" - 32-83/64" 32-7/8" - 4"  
 (100 - 835 - 830 - 835 - 100mm)

### APPENDO – APP 15 A\* Extruded Aluminum

This profile is produced in 8'10" (2.70m) bars which can be cut on site. Available in bright polished chrome (ASB), brightly sanded silver (ASGB), brightly sanded champagne (ACXB).

#### INSTALLATION:

1. Fasten the anchoring plates with the appropriate dowels.
2. Use spacer washers to adapt the profile thickness from 5/16" to 15/32" (8 to 12mm), according to the tile thickness.
3. Position the hook section of the profile at the desired height and cut the profile.
3. Place the remaining section of the profile above the hook to complete the vertical strip.
