

Steel, brass and aluminum custom-made profiles are manufactured in our production facilities to meet all technical requirements. Designed to conceal, trim, separate, edge, join or renovate wherever our standard profiles do not meet project requirements. Profilitec's expertise and flexibility are always on hand to quickly meet any design specification, no matter how small the order.

Required specifications:

1. Sectional dimensions: spec drawing if necessary
2. Finish: Natural, Polished, Brushed
3. Version: Perforated, Pre-drilled, Self-Adhesive
4. Holes: standard hole, countersunk
5. Holes: indicate positioning and side to be drilled
6. Standard Length: 8'10" (2.70m).
7. Available Materials: Aluminum 1/16" (1.5mm), Steel 1/32"-1/32" (1-1.2mm), Brass 1/32"-1/32" (1-1.2mm).
