

CRM - BT

MOSAICTEC CRM-BT patented aluminum profiles detail glass mosaic and thin-set tile wall-to-floor transitions. This profile offers a hygienic solution to internal corners in kitchen countertops and shower stalls.

MOSAICTEC CRM 44 A* Silver Anodized Aluminum

This profile has a silver coating (AS) which offers adequate resistance to use and wear. The polished surface finish of this profile, available in bright polished chrome (KJ**ASB) and gold (KJ**AOB), is highly resistant to oxidation and especially suited for matching polished bathroom accessories and elegant residential detailing.

BASEBOARD BT 45 A* Silver Anodized Aluminum

This baseboard profile has a silver coating (AS) which offers adequate resistance to use and wear. The polished surface finish of this profile, available in bright polished chrome (KJ**ASB) and gold (KJ**AOB), is highly resistant to oxidation and especially suited for matching polished bathroom accessories in elegant residential detailing.
